## **After hours and weekends**

We kindly ask you to contact us during office hours for enquiries or to add or change your bookings. We are open 6.30am to 4.30pm Monday to Friday.

There are lots of dogs to organise and multiple vans and pick up runs so we really appreciate as much notice as you can give us. If you do need to get in touch urgently please text or email. These are cleared last thing at night, first thing in the morning and late Sunday afternoon.

Otherwise for all after hours enquiries please just email and we'll reply on the next business day.
